website: www.sky790312.com

BRIEF

- Solid knowledge of Javascript jQuery, RESTful APIs, JSON, AJAX, Bootstrap, Frameworks, tools, Browser browser compatibility.
- Love to learn, learnin no matter network, back end server side, ui/ux thinking from other seniors.
- All I concentrate is web front end, following the latest world.
- Basketball, dance, photograph, instrument complete me.
- Dogs is always my family when i was born.
- I can proud of saying that I can communicate with whatever back end site, designer, pm..others.
- If you have more interest in me life or my view point, i'm very happy to share with you!

MAIN SKILLS

HTML5, javascript, es6, Angularjs1.2, jQuery, CSS3, SASS, SCSS, LESS, RWD, Bootstrap, webpack, third party api, wordpress

OTHER SKILLS

Reactjs, nodeJs, ruby on rails, java play, AWS EC2, nginx, joomla

EXPERIENCE

2014/12 - Present EZTRAVEL - IT & UED Department - F2E developer

- used to be the homepage project front end leader.
- launch the sharing meeting.
- always communicate with no matter back end, manager, pm for product.
- used to be the ued team member, but still doing both front end site and team works.
- about 100 member in IT Department.

2013/8 - 2014/11 AITE NETWORK - RD Department - F2E developer

- a startup which started both my work and company the same time.
- developing the product what we wanna to product.
- brainstorming all the time.
- less than 10 members in the site work, but everyone make their best in their position.

EDUCATION

Grad - Jun 2012 - Fu Jen Catholic University - Computer Science and Information - Bachelor
